## Technical Specification

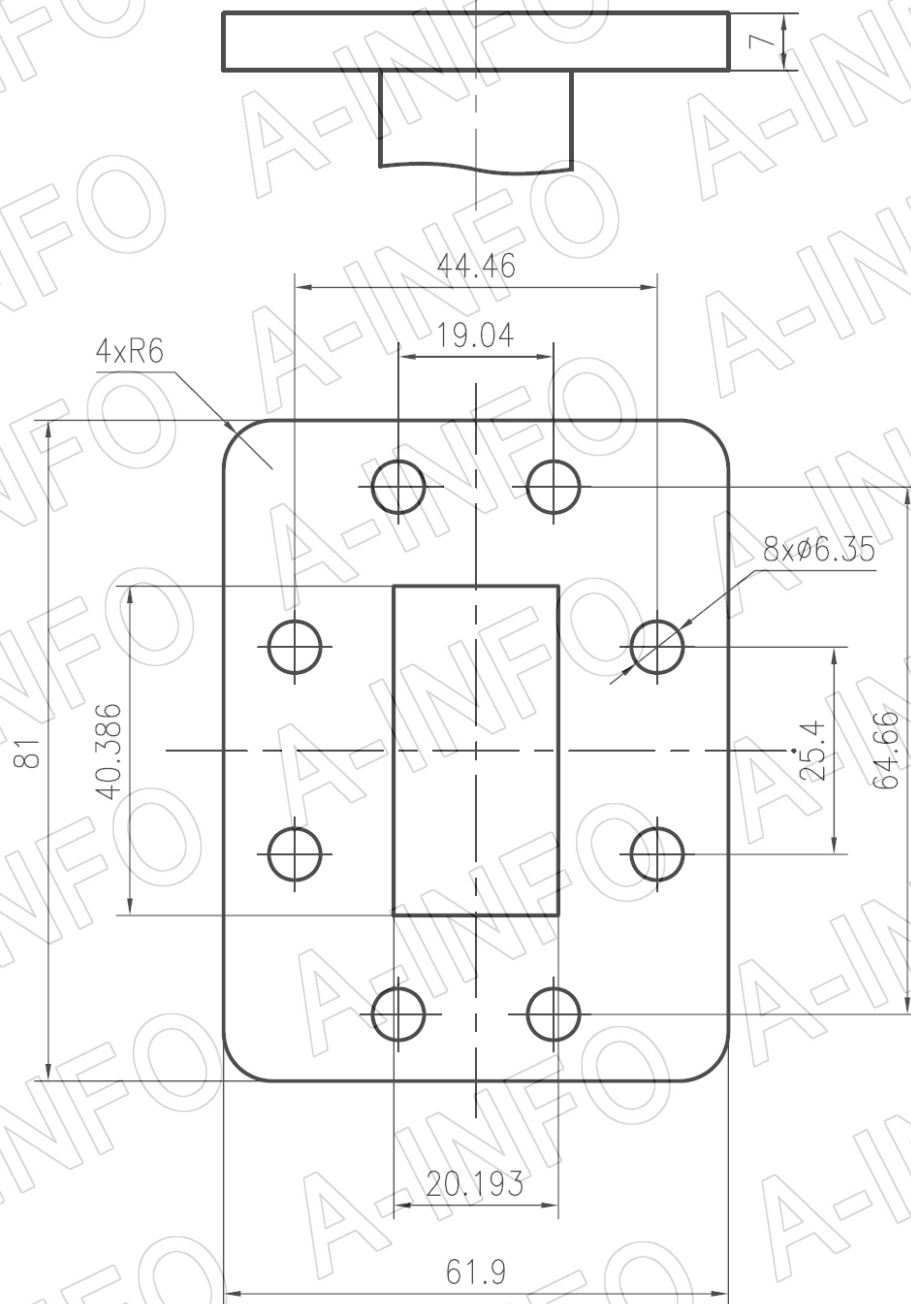

|                      |                                                        |
|----------------------|--------------------------------------------------------|
| EIA WR               | WR159                                                  |
| Frequency Range(GHz) | 4.90 – 7.05                                            |
| VSWR                 | 1.15:1 Max.                                            |
| Average Power(W CW)  | 1300                                                   |
| Peak Power(KW)       | 625                                                    |
| Flange               | FDP58(UDR58)                                           |
| Material             | Al                                                     |
| Finish               | Chemical Conversion Coating and Anodizing, Black Paint |
| Size(mm)             | 279.4 x 121 x 119.2                                    |
| Net Weight(Kg)       | 3.31 Around                                            |
