Outline Drawing (Size: mm)

Technical drawing of a mechanical part, likely a cross-section of a shaft or hub. The drawing shows a central shaft with a diameter of $\varnothing 9.5$ and a total length of 19.1 . The shaft is surrounded by a housing or flange with a thickness of 3.96 . The housing has a central bore with a diameter of $\varnothing 9.525$. The housing is divided into two main sections, each with a thickness of 6.35 . The distance between the inner surfaces of the housing sections is 3.3 . The distance between the outer surfaces of the housing sections is 0.762 . The distance between the inner surfaces of the housing sections, measured from the centerline, is 0.3 . The drawing includes a hatched area indicating the material of the housing.
