## Technical Specification

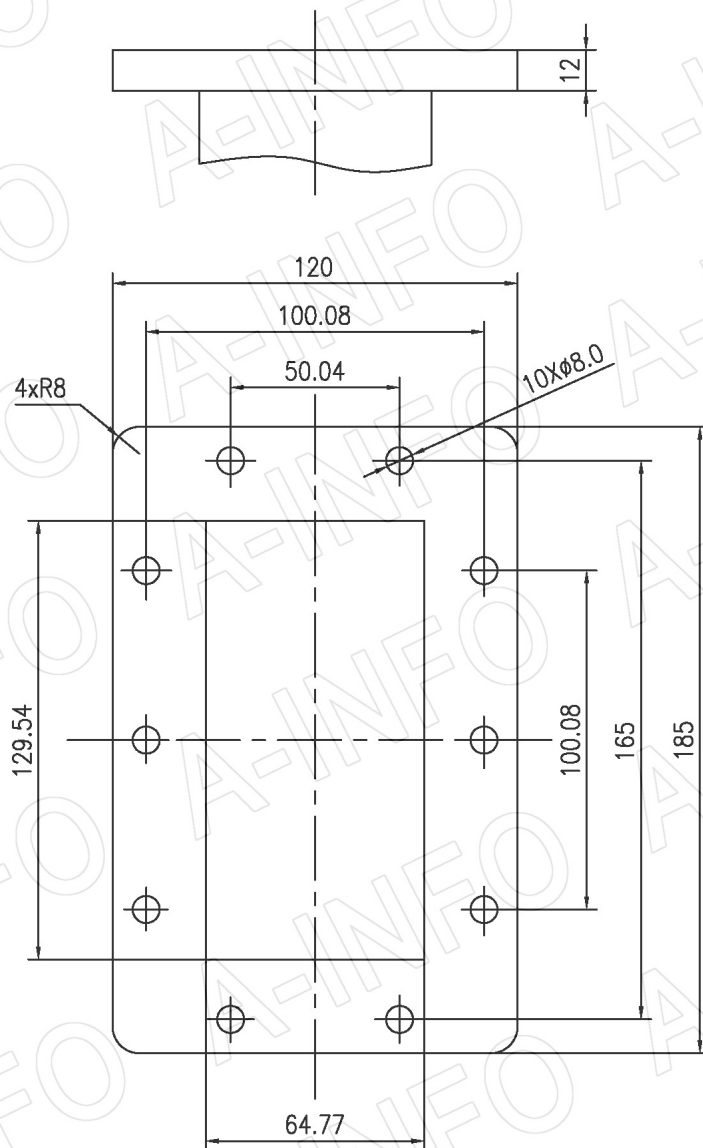

|                      |                 |
|----------------------|-----------------|
| EIA WR               | WR510           |
| Frequency Range(GHz) | 1.45 – 2.20     |
| VSWR                 | 1.06:1 Max.     |
| Average Power(W CW)  | 25              |
| Peak Power(KW)       | 25              |
| Flange               | FDP18(UDR18)    |
| Material             | Al              |
| Size(mm)             | 435 x 185 x 120 |
| Net Weight(Kg)       | 3.83 Around     |
